paint, drink & be merry

It's not an Art Class - It's an Art PARTY!

Scratch the structure. Lose the lecture.
Bottles & Brushes is all about friends, a canvas, and a bottle of wine. The only lesson to be learned: You DO have an inner artist just waiting to be realized!

Check out the [EVENTS CALENDAR](#) featuring parties throughout Chicago and the suburbs or host your own [PRIVATE](#), [CORPORATE](#) or [CHILDREN'S](#) party!

Joe Stanfa

30

Chicago, Illinois

Joe has worked professionally as an advertising Art Director, freelance Graphic Designer/Art Director/Illustrator in some capacity for the past 8 years. Although not formally schooled in art he found a natural knack for it thanks to coloring books and comics at a very early age.

Joe works in a variety of media, including but not limited to pencil and ink, electronic/mixed media, hardware & tools, silkscreen and pretty much anything of a physical form. Many projects are meticulously thought out, however, most of his personal work usually comes through spontaneous and organic streams of consciousness, and/or in attempts to render dreams. Others are happy accidents brought about in the solving of one unrelated issue or another.

At the risk of sounding even more pretentious than the current level of guilt allows, Joe has asked the writer of this bio to cease and desist.
